Library by the numbers

According to our Destiny library software, we have over 11,272 titles in our collection! Currently there are 872 books checked out!

The three classes that checked out the most books this month are Ms. Meadows (3rd gr.), Ms. S. Nelson (2nd gr.), and Ms. Baldwin (4th gr.).

Library learning

Kindergarten students are learning about parts of the computer and practicing their mouse skills.

First grade students are learning to use Epic! on iPads and in the computer lab.

Second grade students are still practicing logging in to Destiny Quest using their own password.

Third grade students are practicing how to log in to Typing Club, Destiny Quest, and Google accounts.

Fourth grade students are exploring AEA databases such as TrueFLIX and FreedomFLIX.

Fifth grade students recently heard Trooper Dan speak about online safety.

Sixth grade students are analyzing text features in nonfiction texts and databases.
