Download our FREE smartphone app or check out our new menus website

We are proud to announce an exciting update to our school menus! Here's what's new:

- More information about each food, including a photo, description and most important...nutritional information!
- Allergy information on all items to better assist with special diets.
- A new menus website: <http://north-scott.nutrislice.com>
- A FREE app for iPhone and Android, **School Lunch by Nutrislice**
- A mobile website: <http://north-scott.nutrislice.com/mobile>
- And you can still print a PDF of the menu by visiting the menus website above.

We've worked hard over the past few months to get the new site up and running. We've updated our menus and are serving some tasty new foods. We hope you'll check out our new menus and let us know what you think!

Thank you,
