

ORGANIZATION OF THE BOARD OF DIRECTORS

The North Scott Community School District Board of Directors is authorized by and derives its organization from Iowa law. The board shall consist of seven board members. All board members shall be elected at large.

The board is organized for the purpose of setting policy and providing general direction for the North Scott Community School District. The board shall hold its organizational meeting in odd-numbered years. Each out-going school board member shall transfer materials and responsibility to a newly-elected school board member.

The organizational meeting allows the out-going board to approve minutes of its previous meetings, complete unfinished business necessary to be completed by the out-going board, and review the school election results. The newly-elected board shall then begin. The secretary will administer the oath of office to the newly-elected board members. The superintendent will preside while the newly-elected board elects the president and vice-president.
