

SUPERINTENDENT PROFESSIONAL DEVELOPMENT

The board encourages the superintendent to continue professional growth by being involved in professional organizations, attending conferences, continuing the superintendent's education, and participating in other professional activities.

It shall be the responsibility of the superintendent to arrange the superintendent's schedule of events in order to enable attendance at various conferences and events. If a conference or event requires the superintendent to be absent from the office for more than three days, requires overnight traveling, or involves unusual expense, the superintendent shall bring it to the attention of the board president prior to attending the event.

The superintendent shall report to the board about each event attended.
