

GENERAL PERSONNEL USE OF CELL PHONES

The use of cell phones and other communication devices may be appropriate to provide for the effective and efficient operation of the school district and to help ensure safety and security of people and property while on school district property or engaged in school-sponsored activities.

The superintendent is directed to develop administrative regulations for the implementation of this policy, including a uniform and controlled system for identifying employee cell phone needs, monitoring use and reimbursement. Provisions may also be included for staff use of privately owned cell phones for authorized school district business.

Employees may possess and use cell phones during the school day as outlined in this policy. Employees should not use cell phones for personal business while on-duty, including staff development times, parent-teacher conferences, etc., except in the case of an emergency. Employees, except for bus drivers, see below, are prohibited from using cell phones while driving except in the case of an emergency.

School bus drivers are prohibited from using any communication device while operating the bus except in the case of an emergency.

Employees violating the policy will be subject to discipline, up to and including, discharge. It is the responsibility of the superintendent to develop administrative regulations regarding this policy.
