

SUMMER SCHOOL LICENSED PERSONNEL

The North Scott Community School District shall offer summer school options in accordance with law and may, in its discretion offer additional programming during the summer recess. Licensed employees who volunteer or who are appointed to deliver the summer educational program are compensated in addition to their regular duties during the school academic year, unless such arrangements are made prior to determining the employee's compensation for the year.

Licensed employees will be given the opportunity to volunteer for the positions available. If the board determines a course must be offered and no licensed employee volunteers for the position, the board will make the necessary arrangements to fill the position. The board will consider applications from volunteers of current licensed employees in conjunction with other applications.

It shall be the responsibility of the superintendent to make a recommendation to the board regarding the need for and the delivery of the summer educational program.
