

STUDENT COMPLAINTS AND GRIEVANCES

Student complaints and grievances regarding board policy or administrative regulation violations and other matters should be addressed to the student's teacher or other member of the licensed personnel or the administration for resolution of the complaint. It is the goal of the board to resolve student complaints at the lowest administrative level.

The school official to whom the complaint was addressed will talk to the parties involved in order to resolve the matter. The school official may, at any time after receiving the complaint, bring the matter to the attention of the building principal. The principal shall determine if other authorities should be involved. If the complaint cannot be resolved by the school official originally contacted or by the building principal, the matter may be appealed to the superintendent for resolution.

If the matter is not satisfactorily resolved by the superintendent, the student may ask to have the matter placed on the board agenda of a regularly scheduled board meeting.
