

AUTHORIZATION – ASTHMA OR OTHER AIRWAY CONSTRICTING DISEASE MEDICATION OR EPINEPHRINE AUTO-INJECTOR SELF-ADMINISTRATION – CONSENT FORM

_____/_____/_____ ____/____/_____ _____ ____/____/_____
Student's Name (Last), (First) (Middle) Birthdate School Date

The following must occur for a student to self-administer asthma or other airway constricting disease medication or for a student with a risk of anaphylaxis to self-administer an epinephrine auto-injector:

- Parent/guardian provides signed, dated authorization for student medication self-administration.
- Physician (person licensed under chapter 148, 150, or 150A, physician, physician's assistant, advanced registered nurse practitioner, or other person licensed or registered to distribute or dispense a prescription drug or device in the course of professional practice in Iowa in accordance with section 147.107, or a person licensed by another state in a health field in which, under Iowa law, licensees in this state may legally prescribe drugs) provides written authorization containing:
 - name and purpose of the medication,
 - prescribed dosage, and
 - times or special circumstances under which the medication or epinephrine auto-injector is to be administered.
- The medication is in the original, labeled container as dispensed or the manufacturer's labeled container containing the student name, name of the medication, directions for use, and date.
- Authorization is renewed annually. If any changes occur in the medication, dosage or time of administration, the parent is to notify school officials immediately. The authorization shall be reviewed as soon as practical.

Provided the above requirements are fulfilled, the school shall permit the self-administration of medication by a student with asthma or other airway constricting disease or the use of an epinephrine auto-injector by a student with a risk of anaphylaxis while in school, at school-sponsored activities, under the supervision of school personnel, and before or after normal school activities, such as while in before-school or after-school care on school-operated property. If the student abuses the self-administration policy, the ability to self-administer may be withdrawn by the school or discipline may be imposed, after notification is provided to the student's parent.

Pursuant to state law, the school district or accredited nonpublic school and its employees are to incur no liability, except for gross negligence, as a result of any injury arising from self-administration of medication or use of an epinephrine auto-injector by the student. The parent or guardian of the student shall sign a statement acknowledging that the school district or nonpublic school is to incur no liability, except for gross negligence, as a result of self-administration of medication or an epinephrine auto-injector by the student as provided by law.
