

SUPERVISION AFTER SCHOOL EVENTS

To supervise the school facility, there shall be a district employee or a person designated by the school district available while students wait at the school building after a school activity.

It shall be the responsibility of the supervisor to ensure that the students and other individuals in the school building have a valid and clear purpose for being in the facility at that time. If there is no valid and clear purpose for the student or other individual to be in the building, the supervisor shall require them to leave the school building at once. Persons or students who do not leave upon request may be reported to the local law enforcement authorities.
