

## ACADEMIC FREEDOM

The board believes students should have an opportunity to reach their own decision and beliefs about conflicting points of view. Academic freedom is the opportunity of educators and students to study, investigate, present, interpret, and discuss facts and ideas relevant to the subject matter of the classroom and appropriate to and in good taste with the maturity and intellectual and emotional capacities of the students.

It shall be the responsibility of the instructor to refrain from advocating partisan causes, sectarian religious views, or biased positions through classroom or school methods. Instructors are not discouraged from expressing personal opinions as long as students are aware it is a personal opinion and students are allowed to reach their own conclusions independently.

It shall be the responsibility of the principal to ensure academic freedom is allowed but not abused in the classroom.
