

RELIGION-BASED EXCLUSION FROM A SCHOOL PROGRAM

The factors the principal may consider when a student requests to be excluded from a program or activity because of religious beliefs include, but are not limited to:

1. Staff available to supervise a student who wishes to be excluded.
2. Space to house the student while the student is excluded.
3. Numbers of students who wish to be excluded.
4. Whether allowing the exclusion places the school in a position of supporting a particular religion.
5. Whether the program or activity is required for promotion to the next grade level or for graduation.
