

HOMEBOUND INSTRUCTION

Students who cannot attend school due to long term illness or other circumstances may receive homebound instruction at the expense of the school. It shall be within the discretion of the board to determine when a student qualifies for homebound instruction. Students requiring homebound instruction shall make a formal request with the superintendent.

Students who do not wish to receive instruction from the school district shall be required to meet the requirements in board policy 604.1, "Competent Private Instruction."

It shall be the responsibility of the superintendent to develop administrative regulations for homebound instruction.
