

SECURITY CAMERAS

The board authorizes the use of video cameras on district property to ensure the health, welfare and safety of all staff, students and visitors to district property, and to safeguard district facilities and equipment. As deemed appropriate by the superintendent, video cameras may be used in any location where there is no legitimate expectation of privacy. Video cameras will not be used in locker rooms or restrooms. Cameras may or may not be monitored on a continuous basis.

The district will annually notify students through its handbooks and/or newsletters that video camera surveillance may occur on district property.

Students who violate board policies, administrative regulations, building rules or law shall be subject to appropriate disciplinary action and to referral to law enforcement agencies. Tampering with the video cameras is prohibited. Tampering will subject violators to discipline under district policy and the Good Conduct Rule, and reimbursement for necessary repairs or replacement.

Video recordings may become a part of a student's educational record, and may be used as evidence in an internal disciplinary proceeding or by law enforcement agencies. The district shall comply with all applicable state and federal laws related to record maintenance and retention for any video recording that becomes a part of an educational record.
